REAL RESULTS:

Helped over 500 students start, grow and scale their online business that go from generating anywhere from \$4,000 to \$25,000 a month in less than 9 months

EXPERT TOPICS:

- Female Entrepreneurship
- Live Video Marketing
- Revenue Goal Setting
- Offer Positioning
- Direct Sales

Jereshia Hawk went from leading \$400 Million pipeline projects as an engineer to doubling her corporate salary and quitting her job within the first year of starting her online business.

She teaches every day side hustlers proven corporate strategies to specialize their skill set with a signature service and start their own six-figure-plus business online.

Jereshia teaches health and business coaches, content creators, designers, and consultants how to sell effectively, serve impeccably, and create predictable profit processes so they can make an impact while earning income online.
